

2nd Postgraduate Research Symposium on Ferrous Metallurgy

Tuesday 26th February 2019

The latest academic thinking
on Ferrous Metallurgy
Registration details overleaf...

Organised by:

**Materials
Processing
Institute**

Iom³
The Institute of Materials,
Minerals and Mining

VENUE:

Armourers' Hall,
Armourers & Brasiers' Company,
81 Coleman Street, London EC2R 5BJ

Hear from PhD/EngDoc students showcasing their research on Ferrous Metallurgy

The aim of the symposium is to:

- > Allow PhD researchers and university departments from across the UK to showcase their research
- > Inspire academics and research students to engage in the research challenges of the steel industry
- > Enable industry colleagues and academics to form strong and lasting networks

The symposium is open to students, academics and industry and is particularly relevant to students planning to, or currently working on a PhD, as well as university academics, researchers and industries involved in materials, metals and process improvement.
